

Limestrong Artisan Plaster has two *authentic** Tadelakt Systems: one for Wet-use areas, where the finish needs to be water-repellant to be functional (showers) and one for Dry-use areas, where the finish is decorative. *We define *authentic* Tadelakt as the traditional Moroccan technology of creating a chemical reaction with Soap + Lime to make a water-repellant seal.

WET USE SYSTEM : Showers

SUBSTRATE

1. **BACKERBOARD:** Must meet ANSI 118.9 Standard
2. **WATERPROOF MEMBRANE:** Must meet ANSI A118.10 Standard
3. **THINSET MORTAR:** Latex modified portland cement-based:
Must meet ANSI 118.15 Standard. 1, 1/8" coat with notch trowel, must be dry before next step

FINISH MATERIALS

1. **BASE Plaster:** Two , 1/8" coats, wet on dry coats, must dry in-between coats
2. **TADELAKT Plaster:** Four coats totaling 1/8", wet on wet coats, cannot dry in-between coats
3. **SOAP:** Three coats
4. **WAX:** Two coats

COST - \$3.35 per square foot

- | | | | |
|---------------------|--------|-----------------------|----------|
| 1. BASE Plaster | \$100: | 75 sqft/bag, 2 coats | = \$1.33 |
| 2. TADELAKT Plaster | \$125: | 100 sqft/bag, 4 coats | = \$1.25 |
| 3. SOAP Sealer | \$30: | 175 sqft/qt, 3 coats | = \$.17 |
| 4. WAX | \$45: | 75 sqft/qt, 2 coats | = \$.60 |

DRY USE SYSTEM : Backsplashes - Tub Surrounds - Fireplaces - Accent Walls

SUBSTRATE

1. **PRIMER** (of your choice) mixed with GRIT over level-4 finished drywall or previously painted drywall

FINISH MATERIALS

1. **SAND Plaster:** Two, 1/8" coats with trowel, let dry between coats
2. **TADELAKT Plaster:** Two coats totaling 1/16", wet-on-wet coats, cannot dry in-between coats
3. **SOAP:** Two Coats +
4. **WAX:** Optional, two coats

COST - \$2.46 per square foot

- | | | | |
|---------------------|----------|---|----------|
| 1. GRIT | \$27.50: | 1500 sqft, 3lb/5 cup bag : one 1 cup/gallon of primer | = \$.02 |
| 2. SAND Plaster | \$100: | 100 sqft/ bag : 2 coats | = \$1.00 |
| 3. TADELAKT Plaster | \$125: | 150 sqft/ bag : 2 coats | = \$.76 |
| 4. SOAP Sealer | \$30: | 350 sqft/qt : 2 coats | = \$.08 |
| 5. Optional WAX | \$45: | 75 sqft : 2 coats | = \$.60 |
